Carthian Silver Waiters, Cake Baskets, Crumb Trays, Brushes and Scrapers, and Ash Trays.

These Goods are made of a class of Metal that wears white throughout, and the patterns on the Waiters are put on by a patent process by which the pattern is eaten into the metal, and therefore cannot be polished or rubbed off, which is not so in the majority of the Waiters placed on the market. The "Carthian" Silver Waiters are known throughout the world for their superior quality, strength, and finish. C. H. T. BIKKER advises his numerous Customers to give these Goods a trial, and to induce them to do so, he has **quoted** for a sample dozen, carriage paid, in each case.
